

Brenner Family and Escorted Tour Information

ABOVE: The Brenner Family, from left, Pam, Kaylee, Doris, Bob, and Chad. The cute fur ball is Derby. It just didn't seem right not to include him here as he's a big part of our family, and even Brenner Tours! Derby was an 18th birthday present to Kaylee. She begged her mom to let her get an inside dog. Much to Pam's initial dismay, Derby came into our lives. It didn't take long before Derby and Pam became best of buds. Derby is always by Pam's side, even while she works late into the night at Brenner Tours. When Bob and Pam are away traveling, Derby holds down the fort at home. It's a happy (and hairy!) life with Derby in it. He's also the most photogenic of us all!

Hello Folks,

Bob here, wanting to share a note "from behind the wheel" to all our traveling friends. Hardly seems possible that we are entering our 51st year of traveling this great land! We are gearing up for a very busy season visiting really great destinations, in 2018.

Many of you are aware I made the choice to not return to my Alaska oil exploration job. I am driving milk truck all over in many states and driving motor coach. It is great to be home with Pam and to know I will be driving all the Brenner trips. It is also great to have Kaylee join us. We look forward to Kaylee helping in the office and out on the road as a Tour Director.

It will be different to look back and not see Mom patrolling the back of the coach. I know she will be in our hearts, where ever we go. We will continue to do and be our best as Mom always taught us.

We have exciting new destinations planned for 2018, along with our popular tours. Our Mystery trips have a really neat destination, in a different direction than what our regulars might suspect. In response to your requests, we have added one-day trips.

Hope to see you on the road in 2018. God bless.

From behind the wheel,

Bob

Dear Friends,

It is with great pleasure we are sending you our 2018 brochure. We hope you find one, or several, tours that interest you. We have wonderful travelers and so much fun exploring this fascinating and beautiful world together. The Brenner family has been blessed with over 51 years of traveling and we thank the Lord for His many blessings to our business. It has been an incredible journey with so many memories. Mom (Doris Brenner) went to her Heavenly Home in April 2015. She is the one who started Brenner Tours one-half a century ago. It is an honor to follow in her footsteps with this family business. Some of the last words mom spoke to me were, "Pam, take good care of the people." Oh, how mom loved you dear folks! We will continue to travel and take good care of the people to honor mom. We miss you mom. Time passes quickly, and as it does, the memories become more important. Let's share happy memories together!

Gods Blessings to You,

Pam

Hello Travelers,

It's hard to believe I am already thinking about the year 2018! Didn't 2017 just start? ! While I wish time could slow down, I have to say I am really looking forward to the tours we have planned in 2018! They all sound so great, I wish I could be the Tour Director for all of them! Bob and Pam, my parents, have done a wonderful job planning all the details of these tours. They love to bring you tours that are unique, educational, and fun. They fulfilled that and more this year!

I read a quote the other day from Billy Graham. He said, "My home is in Heaven, I'm just traveling through this world." While reading it, I smiled and teared up at the same time, as it reminded me of my dear Grandma. Grandma went Home in April 2015, but oh how she loved traveling this beautiful world! And I was blessed to be able to travel with her often. I have memories I will cherish for the rest of my life of our travels together. I learned all that I know about motor coach trips from grandma. She always made all of her travelers feel special - like family. That is a legacy of hers I will carry on. I haven't even met some of you yet, but you are already special to me!

I hope to have you along on our tours for the remaining 2018 tours. I am so happy and excited to be more involved with Brenner Tours!

Happy and safe travels,

Kaylee
